Enjoy a fun-filled week on a real working ranch! Activities include horsemanship, donkey cart rides, needle-felting, story-telling and more! Learn the care and feeding of pigs, donkeys, goats, alpacas and horses.

Daily themes include Team Work and The Spirit of Volunteerism. Learn about conservation and shadow a veterinarian for an afternoon.

On the final day, we’ll celebrate with a lunch party and a day of games.

The Gress Mountain Ranch is a sanctuary where abused and neglected animals are given life-long care to recover and thrive. In turn, the animals become therapy animals and have a big job to help people learn to improve their self-worth, communication skills, and learn respect for all livings beings.
